

Product Update : Fibre washers - spares

As part of our support for our current range of products, Uponor have added a range of 1/2", 3/4" and 1" fibre washers into our list of spare parts.

These items are available to be ordered from 10th February 2019. Delivery is from our European warehouse and will take 5-7 days

These products fall under the Q&E Shrink-fit discount structure
